

**COMPUTER SYSTEM
UPGRADE
23 & 24 AUGUST 2017**

The practice computer system is being upgraded on the above dates. We will have no access to medical records during this time. Please ensure that you have enough of your repeat medication in advance of these dates as we will be unable to issue repeat prescriptions during the upgrade. The online appointments and prescriptions request services will not be available during the upgrade.

REPEAT PRESCRIPTIONS

Repeat prescriptions are not issued over the phone except for those who are housebound. Prescriptions can be ordered online:
<http://www.leithmountsurgery.co.uk> or there are prescription request forms available to complete at the reception desk.

MOBILE PHONE NUMBER

Please ensure your current mobile number is recorded on your health record and inform us if you change this number. This allows us to keep your health record up to date and enables text messages to be sent to your mobile phone, reminding you of the date and time of your appointment.

DR JULIE GALLAGHER

Dr Julie Gallagher will be returning to the practice after her sabbatical on Monday 28 August.

Dr Moray Grigor who has been covering Dr Gallagher's leave will be staying with the practice consulting 2 mornings per week from September.

GP TRAINEES

Dr Megan Hall and Dr Kirsten Hainey will be joining the practice for 6 months at the beginning of August.

**INFORMATION SCREEN IN
RECEPTION**

There is an information screen in reception which shows changes happening in the practice and keeps patients up to date with information about the services we provide. It also displays information on health promotion and seasonal health campaigns e.g. the flu vaccination.

SELF HELP GUIDES

NHS Inform Self Help Guides are available at the following website www.nhsinform.scot/self-help-guides

EVENING CLINICS

The practice is running evening clinics on a Thursday evening twice per month. Lynne McCoach, Phlebotomist and Laura Mack, Practice Nurse will have appointments at these clinics.

TRAVEL VACCINATIONS

Please ensure you arrange your travel vaccination appointments in plenty of time prior to travel. This appointment should be a minimum of 4 weeks prior to departure.

Please be aware that there is a shortage of travel vaccines. This is due to a manufacturing issue and we may be unable to obtain certain vaccines.

FLU CLINICS

The Flu Clinics for 2017-2018 will be running again from October 2017. Further information regarding these clinics will be available on the practice website www.leithmountsurgery.co.uk and on the surgery information screen and notice board in due course.
