

# Leith Mount Surgery

NEWSLETTER

WINTER 2017

## THANK YOU

The GPs and staff would like to thank patients for the lovely chocolates, biscuits and cards that were handed into the practice over the festive period.

## PRACTICE CLOSURE

The surgery will be closed for staff training on the **afternoon** of

**Wednesday 15<sup>th</sup> March 2017**

When the surgery is closed **emergency advice and assessment is available from NHS 24:**

**Dial 111**

**[www.nhs24.com](http://www.nhs24.com)**

**In a life threatening emergency dial 999**

## Repeat Prescriptions

Repeat prescriptions are not issued over the phone except for those who are housebound. Prescriptions can be ordered online:

<http://www.leithmountsurgery.co.uk>  
or there are forms available beside the reception desk.

## DR CATRIONA GILLESPIE

We look forward to welcoming back Dr Catriona Gillespie from maternity leave the week beginning 23rd January 2017. Dr Gillespie will consult on the following days:

Tues (AM), Wed & Fri (All Day)

## Dr JULIE GALLAGHER

Dr Julie Gallagher will be going on sabbatical for 6 months from March – August 2017. Dr Moray Grigor will cover Dr Gallagher's surgeries during this period. Many of you will already know Dr Grigor, as he has worked with us for the last year covering Dr Gillespie's maternity leave.

## INFORMATION SCREEN IN RECEPTION

There is an information screen in reception which shows changes happening in the practice and keeps patients up to date with information about the services we provide. It also displays information on health promotion and seasonal health campaigns e.g. the flu vaccination.

## PARKING

We are sorry for the difficulties you may experience finding a parking space at the surgery, whilst building work is going on at the old Fort House site. You may wish to consider using public transport or walk to the surgery if you are able to. **Please leave the disabled spaces for patients displaying a permit.**

## MOBILE PHONE NUMBER

Please ensure your current mobile number is recorded on your health record and inform us if you change this number. This allows us to keep your health record up to date and enables text messages to be sent to your mobile phone, reminding you of the date and time of your appointment.
